Dear Mr. Gaber and Mr. Campbell,

We have reviewed your letter received via e-mail transmission this past Saturday afternoon in which you shared comments and concerns regarding the application of North Dakota law. They will be considered.

The uniform application of North Dakota law is important and essential for this office and the citizens that we serve. During the past several months, my office conducted training for county election officials and continues to communicate with them regularly to ensure that North Dakota election law is uniformly and correctly applied.

Sincerely,

A handwritten signature in blue ink, appearing to read "Al Jaeger".
