## Introduction

In Arizona, the law regarding which people with past criminal convictions can and cannot vote has been confusing. Whether a person can vote depends on how many felony convictions they have, whether they are able to pay restitution, whether they have completed their sentence(s), and how long it's been since they completed any prison time. Moreover, some people who are eligible to get their right to vote back after a conviction are required to file a request to restore their right – a process that many do not know about. As a result, many Arizonans with past convictions who are eligible to vote simply do not know that they can participate.

But a little bit of education and outreach will go a long way to assisting people to exercise their fundamental right to vote. This manual is designed to arm citizens with convictions, activists, and advocates with all the tools you'll need to help people in Arizona know if they can vote or restore their right to vote

Felony disenfranchisement laws silence the voices of over 6 million citizens who are banned from the polls today. As many as 75 percent of these disenfranchised voters are no longer in prison but are not able to vote.

Citizens with past felony convictions work and pay taxes, and should have a say in deciding their community's and the nation's laws that directly impact their lives. Denying these citizens with past felony convictions the opportunity to fully integrate as members of society sends the message that they will permanently be treated as second-class citizens. Studies have shown that restoring the vote to persons leaving prison could aid their transition back into community life.

Felony disenfranchisement laws were frequently deliberately designed to disempower minority voters. They continue to disproportionately impact People of Color and distort our democracy. Disenfranchisement not only impacts individual with past convictions; it also disempowers the minority communities to which many belong.

Some U.S. states have no restrictions on voting, while others have a lifetime ban upon conviction. Twelve states, including Arizona, permanently disenfranchise some or all citizens convicted of felony offenses.

Based on the most recent estimates Arizona's law disenfranchises over 233,816 people in the state: 4.86% of the entire state-wide voting-age population but 12.69% of the adult Black male voting-age population. The Latinx community is also disproportionately impacted, making up thirty-three percent of all disenfranchised persons in the state.

The good news is that for many people with convictions, their voting rights can be restored. If a person only has a single felony conviction, they are automatically eligible to register to vote again once they have served their time, including probation and parole, and paid off any restitution related to their sentence. For those with multiple convictions or who owe restitution, once they have completed their sentence, they can restore their right to vote by applying with the appropriate county clerk.

This manual first details how you can determine what a person's path to rights restoration will look like: if they ever lost their right to vote, if it has been automatically restored, and whether and how they can apply to have it restored. It also includes template versions of the paperwork a person may need to complete and contact information for some groups who can help further.

We hope that this information and material will be of use to those who seek to strengthen democracy and their communities by empowering those whose voices have been silenced by felony disenfranchisement.

### **Working with Disenfranchised Citizens**

When assisting people with convictions, it is important to keep in mind that they may have particular sensitivities and privacy concerns. So, please:

- Respect their humanity with your words. Never define people by their criminal records; do not call people "felons," "convicts," "ex-felons," etc. Listen to how people identify themselves and, when in doubt, use people-first language (e.g., "people with felony convictions").
- Be welcoming and personable. Understand that there can be guilt and stigma associated with having a criminal record.
- Be patient. The person you are helping may be emotional or nervous in recalling the details of their conviction. Be aware that other issues may be involved, such as mental health concerns or disability. The person may need assistance with reading and writing.
- Respect the privacy of the person you are assisting. Keep the conversation private by speaking at a reasonable volume and finding a space away from others. All assistance should be confidential.
- Don't pry into their personal business. Questions of innocence or morality regarding their conviction are irrelevant to rights restoration and should not be discussed.
- Do not pass judgment. It is important to enter this work aware of your own biases. Be mindful of your tone of voice and facial expressions. Do not talk down to the people you are assisting. The bottom line is to remember that all people deserve dignity and respect.

## The Path to Rights Restoration

This section details the steps to determining the voting rights of people with convictions in Arizona. It will help you determine whether an individual has the right to vote or has the ability to restore their right to vote. It includes many details to thoroughly give information about a range of possible situations. But for most people, rights restoration is not complicated and many of these footnotes and tips will not apply. Helping a person with just one felony conviction restore their rights can be as simple as asking if they have completed their sentence and paid their restitution. If they have, they can immediately register to vote. For people who have multiple convictions, they will need to restore their right by application, if they are eligible.

After you have read through this section or helped a few people through the process, it may be easier to refer to the short Rights Restoration Worksheet and the following flow chart when assisting a person with a conviction.

### Step 1: Where were they convicted of a felony?

Under Arizona law, all people who are convicted of felonies lose the right to vote unless they have been “restored to civil rights.”<sup>1</sup> For Arizonans with convictions from other states, this means they can follow the rights restoration process of that state which are often less restrictive than Arizona’s. If their conviction(s) were in Arizona or Federal court, they will have to rely on Arizona’s rights restoration process. If they have a mix of one or more in state or federal and one or more out of state, you should consider each jurisdiction in turn, analyzing the out of state convictions separately; their rights will need to have been restored in each jurisdiction to vote again.

#### A. They only have conviction(s) from another state.

Visit [RestoreYourVote.org](http://RestoreYourVote.org) and follow the questions for that state. If their rights have been restored in that state, they can vote in Arizona. If not, they may need to take some affirmative rights restoration action in the state of conviction ([RestoreYourVote](http://RestoreYourVote.org) will help with those next steps).

#### B. They only have convictions from Arizona state court or federal court.

They will need to rely on Arizona’s process to restore their right to vote. Move ahead to step 2 to determine if their rights have already been restored.

#### C. They have a mix of Arizona/Federal and out-of-state convictions.

Take each jurisdiction separately. They will need to have had their voting rights restored under the law of each jurisdiction to be able to vote in Arizona. *If they have only one conviction in Arizona or Federal court but also one or more in another state, you can consider them as only having one conviction for purposes of Arizona’s restoration*

*process.*

**Step 2: Determine whether their voting rights have already been restored.**

Ask the person you are helping if they have a single or multiple felony convictions. The answer will determine whether their voting rights will be automatically restored or if they will have to apply to get them back.

Misdemeanors and traffic violations are not relevant, only felony convictions. If a person only has misdemeanors or other violations, they never lost the right to vote and can register immediately. If a person is incarcerated but awaiting trial and has no felony convictions yet, they can register and vote even if they are in jail

**A. If they have only one felony conviction:**

If a person only has one felony conviction, their voting rights will be automatically restored once they have:

(1) been discharged from their sentence, including probation and parole

AND

(2) paid off any court ordered restitution from the conviction.<sup>2</sup>

If they have met both of these conditions, their voting rights are automatically restored and they can register to vote.<sup>3</sup> More information on registering to vote, documentary proof of citizenship, and voter ID can be found on the voter registration form (page 14).

If they have not met one or both of these conditions, they can petition for rights restoration – **skip to step 3.**

**B. If they have more than one felony conviction:**

their voting rights will not be automatically restored. They may be able to petition for rights restoration – **skip to step 3.**

**Tip:** If they have multiple felony convictions from the same incident or case, it is still considered multiple felony convictions.

**Step 3: Petition for Rights Restoration (*for those who do not qualify for automatic restoration*)**

If someone has multiple convictions, their voting rights will not be automatically restored. However, they may be eligible to apply to restore their right to vote through a

<sup>3</sup> *Id.*

simple application process. Whether they are eligible depends on whether they have completed their sentence and whether they served time in prison. If eligible, how and where to apply depends on which jurisdiction convicted them.

### **A . Determine eligibility for rights restoration by petition**

To be eligible for rights restoration, a person must meet both of the following criteria:

- i. **They have completed their sentence including prison time, probation, and parole.**<sup>4</sup>
- ii. **If they served any prison time, two years must have passed since their absolute discharge.** If they served any parole after prison, that means they must wait until two years after completing parole.<sup>5</sup> If they were only ever sentenced to probation (no prison time), they may apply for rights restoration immediately upon being discharged from probation.<sup>6</sup>

### **B. How to apply**

If someone meets the eligibility for rights restoration, they may apply to restore their rights with the appropriate county clerk of court – see below for information on where to apply. They should file one form with each of the appropriate clerks that lists all of the convictions over which that clerk has jurisdiction. If their convictions are covered by different jurisdictions, they must file a separate form with each clerk. Some counties have their own form; where possible they should use the form of the corresponding county. Pima County's form on page 19, Maricopa County's on 21, and a generic petition for other counties on page 18.

The petitions include a place to submit other information that the court could take into consideration, such as successful re-entry into society: job, leadership responsibilities, caretaking responsibilities (children, elderly, disabled), schooling, housing, and/or

<sup>4</sup> Ariz. Rev. Stat. § 13-908. There is nothing in the Arizona statutes that requires a person who was only sentenced to probation to pay off their fines, fees, and restitution before applying for rights restoration. However, we believe that some judges and the DOC may be effectively requiring this, nonetheless. If a person has been discharged from probation but still owes fines and fees and would like to apply to restore their right to vote, please ask them to contact us. See Arizona Dept. of Corrections, "Release Types" [https://corrections.az.gov/release-types#ab\\_discharge](https://corrections.az.gov/release-types#ab_discharge); see also, "Request for Absolute Discharge" at ¶ 4, [https://corrections.az.gov/sites/default/files/absolute\\_discharge\\_form\\_082114.pdf](https://corrections.az.gov/sites/default/files/absolute_discharge_form_082114.pdf).

<sup>5</sup> Ariz. Rev. Stat. § 13-908.

<sup>6</sup> *Id.*

<sup>7</sup> Maricopa County's form has not been updated since the new law passed in 2019 and still states that restorations will not be granted to individuals who owe legal financial obligations except in extraordinary circumstances. That is contravenes the new law. If you are helping someone who is denied rights restoration solely on the basis of outstanding fines, fees, or restitution, please contact us.

For more information or assistance contact 202-736-2200 or [RestoreYourVote@CampaignLegalCenter.org](mailto:RestoreYourVote@CampaignLegalCenter.org) or visit [www.Restoreyourvote.org](http://www.Restoreyourvote.org)

volunteer work. Including positive changes made since release and why it is important to have one's civil rights/voting rights restored may improve the petition.

If the person served prison time, they must include the certificate of absolute discharge with their application. If they only served probation and have documentation of their discharge from probation, they should include that. For residents of Maricopa County, you will need the date that you completed probation; you may obtain the date from the Maricopa County Probation Office, 602-506-7249.

If a person does not have a copy of their absolute discharge, it can be requested through the department of corrections. That form is included on page 14 and can also be found here: [https://corrections.az.gov/sites/default/files/absolute\\_discharge\\_form\\_082114.pdf](https://corrections.az.gov/sites/default/files/absolute_discharge_form_082114.pdf). That form may be signed with an e-signature and mailed to [ADCABSDISCH@azadc.gov](mailto:ADCABSDISCH@azadc.gov). The absolute discharge can also be obtained in person by visiting the Records Department, Arizona Department of Corrections, 1601 West Jefferson Street, Phoenix, AZ 85007.

To check the status of your request, call Central Office Records at 602-542-3277.

Requests for absolute discharges may take up to 4-6 weeks to process.

### **C. Where to file**

Where to file the application for rights restoration depends on which court issued the felony convictions for the applicant. If multiple convictions were issued by separate courts, one form should be filed in each place. Those forms may list all the relevant convictions for that court. They should be filed with the clerk of court. A list of the addresses of each county's clerks of court can be found in the index.

- If the conviction was in Arizona state court, the petition should be filed in the county of conviction.

- If the conviction was in Federal (United States) court, the petition should be filed in the Arizona county where the person resides.

The petition for rights restoration is at the discretion of the judge. That means that they might not always restore voting rights for people who apply. The result can take up to 90 days.

# VOTER REGISTRATION INFORMATION

Use this form to register to vote in Arizona or update your voter registration. You must update your registration whenever you move, change your name, or change your political party affiliation. Call your County Recorder's office (listed below) with any questions about voter registration.

### TO REGISTER TO VOTE IN ARIZONA YOU MUST BE:

- A **U.S. citizen** (proof of citizenship required to vote a "full ballot")
- A **resident** of Arizona and the county listed on your registration
- **18 years** of age or more by the next regular General Election

### YOU CANNOT REGISTER TO VOTE IN ARIZONA IF:

- You have been found mentally **incapacitated** by a court and your voting rights were not preserved; or
- You have been convicted of a **felony** and have not had your civil rights restored. Civil rights are automatically restored if you have only **one** felony conviction, completed your sentence, parole, or probation, and paid any victim restitution.

You can register to vote if you have only misdemeanor convictions or you are in pretrial detention and are otherwise eligible.

### GENERAL INFORMATION

- Register online at [www.servicearizona.com](http://www.servicearizona.com), or mail or take your completed, signed form to your County Recorder (acceptable mailing addresses provided below) or person designated to receive registration forms. Keep this copy as your receipt. The County Recorder will send you a confirmation of registration within 4-6 weeks.
- Fill in your political party preference in Box 14. If you leave this box blank as a first-time registrant, your party will be none or "No Party Designated." If you are already registered and you leave this box blank, you will keep your prior party preference. If you pick "Other," write the full name of your preferred party on the line provided.

### REGISTRATION DEADLINE

- You must register at least **29 days before the election** (or the next business day if that deadline falls on a holiday) to vote in that election.
- If returned by mail, the registration must be: (1) postmarked by the deadline and received by the County Recorder by 7:00 p.m. on Election Day; or (2) dated on or before the deadline and received by the County Recorder no later than 5 days after the deadline.

### PROOF OF CITIZENSHIP REQUIREMENT

To be eligible to vote a "full ballot," you must submit proof of citizenship with your registration form or by 5:00 p.m. on the Thursday before Election Day. A "full ballot" includes all federal, state, county, and local races and ballot questions for which you are eligible to vote.

If you do not submit proof of citizenship and we cannot acquire your proof of citizenship from the Arizona Motor Vehicle Division or the statewide voter registration database, you will receive a "federal-only" ballot, which has only federal races and no state, county, or local races or initiatives/referendums.

You don't need to resubmit proof of citizenship if you previously registered to vote in Arizona and submitted citizenship proof, and are using this form to update your name, party affiliation, or address after moving within the state.

### VALID FORMS OF PROOF OF CITIZENSHIP

If you have an **Arizona driver's license** or **non-operating license** issued after October 1, 1996, write the number in Box 9. This will serve as proof of citizenship and no additional documents are needed. However, if your license was issued when you were not a U.S. citizen but you later became a U.S. citizen, complete Box 11 or provide another form of proof of citizenship.

### Other acceptable proof of citizenship (only one is needed):

- Legible copy of a birth certificate that verifies citizenship. If the name on the birth certificate is not the same as your current legal name, submit supporting documents (e.g. marriage certificate).
- Legible copy of the pertinent pages of your passport
- Presentation to the County Recorder of U.S. naturalization documents, or Alien Registration Number, Naturalization Certificate Number, or Citizenship Certificate Number (Box 11)
- Indian Census Number, Bureau of Indian Affairs Number, Tribal Treaty Card Number, or Tribal Enrollment Number (Box 10)
- Legible copy of your Tribal Certificate of Indian Blood or Tribal or Bureau of Indian Affairs Affidavit of Birth

**Do not send original documents.** Make a printed copy of proof of citizenship and mail it with your completed registration form to your County Recorder. Visit [www.azsos.gov](http://www.azsos.gov) if you have questions about proof of citizenship.

# INFORMACIÓN DE REGISTRO ELECTORAL

Use esta forma para registrarse para votar en Arizona o actualizar su registro. Usted debe actualizar su registro cada vez que se muda, cambie su nombre, o cambie su afiliación de partido político. Llame al Registrador de su Condado (lista abajo) con cualquier pregunta sobre el registro electoral.

### PARA REGISTRARSE PARA VOTAR EN ARIZONA DEBE:

- Ser **ciudadano/a de EUA** (requiere prueba para usar la "boleta completa")
- Ser **residente** de Arizona y del condado listado en su registro
- Tener **18 años** de edad o más en o antes de la próxima Elección General

### USTED NO PUEDE REGISTRARSE PARA VOTAR EN ARIZONA SI:

- Una corte dictaminó que usted está **incapacitado/a** y no se conservaron sus derechos de voto; o
- A usted se le ha condenado por un **delito grave** y no se le han restaurado sus derechos civiles. Los derechos civiles se restauran automáticamente si usted sólo tiene una condena por un delito grave, ha completado su sentencia, libertad condicional, o régimen probatorio, y ha pagado cualquier restitución.

Puede registrarse si sólo tiene condenas por delitos menores o está detenido/a antes del juicio y es elegible para votar al cumplir con los otros requisitos.

### INFORMACIÓN GENERAL

- Regístrese en línea en [www.servicearizona.com](http://www.servicearizona.com), o envíe por correo o lleve su forma de registro llenada y firmada al Registrador de su Condado (dirección postal indicada abajo) o a una persona designada para recibir dichas formas. Conserve esta copia como su recibo. El Registrador le enviará a usted una confirmación dentro de 4-6 semanas.
- Llene su preferencia de partido político en la Casilla 14. Si la deja en blanco al registrarse por primera vez, su partido será ninguno o "Ningún Partido Designado." Si deja esta casilla en blanco y ya se había registrado en el estado, se mantendrá su preferencia de partido político anterior. Si elige "Otro," escriba el nombre completo de su partido de preferencia en la línea provista.

### FECHA LÍMITE PARA EL REGISTRO

- Para ser elegible para votar en una elección, se debe inscribir por lo menos **29 días antes de la elección** (o al siguiente día hábil si la fecha límite cae en un día festivo reconocido por el estado).
- Si envía por correo, la forma debe ser: (1) estampada en/antes de la fecha límite de registro y el Registrador del Condado debe recibirla en/antes de las 7:00 p.m. el día de la elección; ó (2) fechada en o antes de la fecha límite y el Registrador debe recibirla no más de 5 días después de la fecha límite.

### REQUISITO DE PRUEBA DE CIUDADANÍA

Para votar usando la "boleta electoral completa," debe presentar prueba de ciudadanía con su forma de registro o antes de las 5:00 p.m. del jueves previo al Día de la Elección. Una "boleta electoral completa" incluye todas las contiendas federales, estatales, del condado y locales y propuestas/referéndums para las que usted sea elegible para votar.

Si no presenta prueba de ciudadanía y no podemos adquirir dicha prueba de la División de Vehículos Motorizados de Arizona o de la base de datos del registro electoral del estado, recibirá una boleta "sólo federal," que incluye sólo contiendas federales y excluye las del estado, condado, o locales o propuestas/referéndums.

Usted no necesita volver a enviar prueba de ciudadanía si se registró antes en Arizona y presentó dicha prueba, y está usando esta forma para actualizar su nombre, afiliación de partido, o domicilio después de mudarse dentro del estado.

### FORMAS VÁLIDAS DE PRUEBA DE CIUDADANÍA

Si usted tiene una **licencia de manejo de Arizona** o **tarjeta de identificación** emitida después del 1 de octubre de 1996, anote el número en la Casilla 9. Esto servirá como prueba de ciudadanía y no necesitará documentos adicionales. Pero si su licencia fue emitida cuando no era ciudadano y se convirtió después en ciudadano/a de Estados Unidos, complete la Casilla 11 ó provea otra forma de prueba de ciudadanía.

### Otras pruebas aceptables de ciudadanía (sólo necesita una) incluyen:

- Copia legible del certificado de nacimiento que verifique la ciudadanía y documentación legal de apoyo (ejemplo: certificado de matrimonio) si el nombre en el certificado de nacimiento no es igual a su nombre legal actual
- Copia legible de las páginas pertinentes de su pasaporte
- Presentación de documentos de naturalización de Estados Unidos al Registrador del Condado, o anote su Número de Registro de Extranjero, del Certificado de Naturalización, o del Certificado de Ciudadanía (Casilla 11)
- Anote su Número de Censo Indio, de la Oficina de Asuntos Indios, de la Tarjeta del Tratado Tribal, o de la Inscripción Tribal (Casilla 10)
- Copia legible de su Certificado Tribal de Sangre India o Affidávit de Nacimiento Tribal o de la Oficina de Asuntos Indios

**No envíe documentos originales.** Haga una copia impresa de la prueba de ciudadanía y envíela por correo con su forma de registro completa al Registrador de su Condado. Visite [www.azsos.gov](http://www.azsos.gov) si tiene preguntas sobre pruebas aceptables de ciudadanía.

## INSTRUCTIONS: HOW TO COMPLETE THE FORMS AND STEPS TO RESTORE CIVIL RIGHTS/GUN RIGHTS

### Things to consider before filing this application:

1. If your conviction was from a justice, city or magistrate court, please contact that court for an application and information about your case.
2. If you have multiple cases, you must make a separate application for each case number. The Court must decide each one separately.

**STEP 1:** In **BLACK INK**, please complete the forms in this packet with instructions below.

### **FORM: APPLICATION UPON DISCHARGE TO RESTORE CIVIL RIGHTS/GUN RIGHTS OR REQUEST FOR RECONSIDERATION**

#### HEADING

- At the top of the form, please fill in your name, street address, city, state, zip code, telephone number (if not protected), attorney bar number (if you are represented by an attorney).
- Put a check in the box if you are representing yourself.
- If you have an attorney representing you, place a check in that box.
- Write your first and last name on the line above "Defendant."
- Enter your date of birth.
- Check the box to identify who the applicant is.
- Write in your case number on the line at the upper right side of the page, and on the following pages.
- Check the appropriate box(es) to tell the Court what you are requesting. If a prior application to restore rights was denied, check the box to tell the Court that this is a *Request for Reconsideration*

#### CONVICTIONS

- Enter the date of your conviction(s). Enter the charges of your conviction.
- Information about your conviction may be found online at the Superior Court's website:  
<http://www.superiorcourt.maricopa.gov/docket/CriminalCourtCases/caseSearch.asp>. You may also come to a Law Library Resource Center or Clerk of Superior Court location to look up your case. See: [www.superiorcourt.maricopa.gov](http://www.superiorcourt.maricopa.gov) or <http://www.clerkofcourt.maricopa.gov/copies.asp> for locations and more information.

## **STATE CONVICTION**

- If your case was handled by the Superior Court of Arizona in Maricopa County, place a check in the boxes that apply to you.
- Check a box to indicate whether this is your first felony conviction or whether you have other felony convictions. If you have other felony convictions, identify the court and case number of each case.
- If your conviction resulted in a prison sentence, a *Certificate of Absolute Discharge from Imprisonment* from the Arizona Department of Corrections must be attached to the Application. The Department of Corrections ("DOC") office is located at 1601 W. Jefferson, Phoenix. Before issuing a statement, DOC will require the Superior Court's proof of payment of all financial sanctions for that case. Therefore, you should get a financial statement and payment history from the Clerk of Superior Court's Criminal Financial Obligations Section. You may request a payment history in person from the Criminal File Counter, South Court Tower, 175 West Madison Street, 12th Floor, Phoenix, AZ 85003 or the File Counter, Southeast Regional Court Facility, 222 East Javelina Avenue, Mesa, AZ 85210. You will need to fill out a request and pay a fee, and the payment history will be sent to you. Contact Criminal Financial Obligations for details and more options at (602)375-5375.
- Additional DOC information may be available at <https://corrections.az.gov/>.
- If this is a second or subsequent conviction, the application for most offenses should not be submitted until two (2) years after the date of the absolute discharge.
- If probation was granted, state the specific date of discharge from probation. To identify the specific date of completion of probation, you may contact the Maricopa County Adult Probation Office by calling (602)506-7249.

## **FEDERAL CONVICTION**

- If your case was handled by a Federal Court, place a check in the boxes that apply to you. Write in the name of the District Court that handled your case.
- If you have multiple convictions, you must make a separate application for each case number. The Court must act on each one separately.
- Check a box to indicate whether this is your first felony conviction or whether you have other felony convictions. If you have other felony convictions, identify the court and case number of each case.
- See Step 2 below for the documents that are required to be attached to the application regarding any federal conviction.

## **VICTIM RESTITUTION AND COURT ORDERED MONETARY OBLIGATIONS**

- Answer whether you have completed all victim restitution and Court-ordered monetary obligations.
- If you answer NO, explain in the space provided why these fines have not been paid. If you have not paid it in full, it is not an automatic denial but something the court factors into their decision.

### **PRIOR RESTORATION OF RIGHTS**

- If a prior application was denied, check the box “Request for Reconsideration” at the top of the form. The Request for Reconsideration must explain why it is appropriate to review a prior denial and should include additional or updated information.
- Carefully read and answer all questions regarding prior applications for restoration of rights by checking the “Yes” or “No” boxes of each question.

### **PENDING CASES AND ACTIVE WARRANTS**

- Tell the Court whether there are any open criminal cases against you. Tell the Court whether you have an active warrant. If you answer “Yes” to either of these questions use the lines provided to explain. It may be best to resolve any active warrants prior to filing an application.

### **RESTORATION OF FIREARMS**

- Read the NOTE regarding Arizona Revised Statute requirements.
- Read and check each box that applies to your situation.
- Explain the reason you are requesting a right to possess a gun or firearm be restored.
- Generally, if a person was convicted of only one felony and that felony was a non-dangerous offense (see A.R.S. § 13-706), the right to possess or carry a gun was restored automatically if a Court set aside the judgment of guilt.
- For a person convicted of two or more felonies, an applicant’s statement in support of the request to restore right to possess or carry firearm should be considered and a court may grant the restoration of the right to possess a firearm.

### **OTHER INFORMATION FOR THE COURT**

- Use the lines provided to explain anything else you would like the Court to take into consideration about the things you have asked for in this application.
- If you are providing documents, list the documents in the lines provided.
- Answer whether you would like a hearing regarding your restoration application. NOTE: the Court may decide on the application WITHOUT a hearing even if you request one.

### **SIGNATURES AND DATES**

- Review everything you wrote on the form.
- Sign and date your signature on the lines provided or sign the authorization for your attorney to proceed on your behalf.

**If your civil rights have been restored, in order to be eligible to vote, you must complete and submit a new voter registration form. The felony conviction resulted in the canceling of your registration and merely having civil rights restored does not “un-cancel” the registration. A new registration form is required. Please refer to the Maricopa County Recorder’s Office for additional questions about voter registration.**
