Dear Governor Burgum, Speaker Koppelman, and Leaders Pollert, Boschec, Wardner and Heckaman:

On behalf of the Turtle Mountain Band of Chippewa Indians ("Turtle Mountain") and the Spirit Lake Nation ("Spirit Lake"), we write to express concerns with the proposed legislative map to be considered for approval by the State Legislature on November 8, and to respectfully request that our Tribal Nations be incorporated into the same legislative district.

Throughout the redistricting process, the Tribes of North Dakota made numerous requests to the Legislature's Redistricting Committee to hold redistricting hearings on and near reservations to allow tribal members an opportunity to be heard on how their state legislative representation will be guided for the next ten years. Those requests fell on deaf ears. Many of our tribal members lack the means to travel to Bismarck and were therefore shut out of the redistricting process. Also concerning was the Redistricting Committee's position that the Tribal and State Relations Committee could report back to it if any redistricting comments happened to be brought up during the Tribal and State Relations Committee meetings. That approach was wholly inadequate. Despite repeated requests, the only outreach from the

Redistricting Committee was the e-mailing of a hearing notice to the Tribes with one day's notice. Of course, given the short notice, not all of the Tribes were able to make it to Bismarck to attend the hearing. Indeed, we as tribal leaders are governing in the middle of a pandemic with limited resources, and so one day's notice is far from sufficient.

At that redistricting hearing, representatives from the Spirit Lake Nation, Standing Rock Sioux Tribe, and Three Affiliated Tribes advocated for the creation of legislative subdistricts to improve their representation. Of these requests, only a subdistrict for the Three Affiliated Tribes reservation area was approved by the Redistricting Committee. The Committee, however, also decided to create subdistricts in the Turtle Mountain reservation area, even though no subdistricts were ever requested by Turtle Mountain to the Redistricting Committee.

As a result of the poor outreach to our Tribal Nations, despite our repeated requests, the Redistricting Committee's proposed District 9, containing the Turtle Mountain reservation, is illegally drawn and we believe will be struck down in court if it is adopted by the State Legislature. To remedy this situation, and to also allow the members of Turtle Mountain and Spirit Lake to be able to elect the representatives of their choice in accordance with federal law, we have developed a proposed district containing the Turtle Mountain and Spirit Lake reservations. (**Attached as Figure 1**).

Given that our Tribal communities together would be sufficiently large and geographically compact to form a majority-minority district, and given the racially polarized voting that exists when comparing our communities to the surrounding areas, our proposed district satisfies the Voting Rights Act, and would negate the need for a subdistrict. To illustrate, the below charts show the differences between Native American and non-Native American voting patterns in 2016 and 2020 state-wide elections for the precincts within the district we have proposed. Our Tribal communities have voted cohesively in favor of clearly identified Native American preferred candidates. On the other hand, the non-Native American voters have, without exception, overwhelmingly voted against the Native American candidate of choice.

The disparity is even more severe when Native American candidates have run for office. In the 2016 election for the United States House of Representatives, a Native American candidate, Chase Iron Eyes, was preferred by an estimated 98 percent of Native American voters, but received only 21 percent of the vote from white voters. The vast majority of white voters rallied behind the eventual winner of the race, Kevin Cramer, who received only an estimated 2 percent of the Native American vote. A similar pattern is visible in the 2016 race for Insurance Commissioner, where an estimated 98 percent of Native American voters cast a ballot in favor of the Native American candidate, Ruth Buffalo, while being favored by only 28 percent of white voters.

Not only will adopting the district proposed by our Tribes allow the State of North Dakota to forgo costly litigation (which would likely result in the Redistricting Committee's map being overturned anyway), the proposed district can also be incorporated into the overall state-wide redistricting map very easily, with minimal impacts to the districts proposed by the Redistricting Committee for the rest of the state. We have taken the additional step of drawing a full state-wide map that incorporates our proposed district. (**Attached as Figure 2**). To illustrate this minimal impact, we have additionally provided a map that shows the lines of a proposed state-wide map that incorporates our proposed district, overlaid with the lines of the Redistricting Committee's proposed map. (**Attached as Figure 3**). As you can see, incorporation of our proposed district only creates small changes to the other districts proposed by the Redistricting Committee, and only in the northeast corner of the state.

We respectfully bring this request forward, not only as the leaders of sovereign Tribal Nations, but as fellow citizens of the State of North Dakota. All citizens deserve to have their voices heard and to be treated fairly and equally under the law. Our proposed district accomplishes this, which benefits our Tribes as well as the State of North Dakota and all of its citizens. We appreciate your thorough attention to this matter.

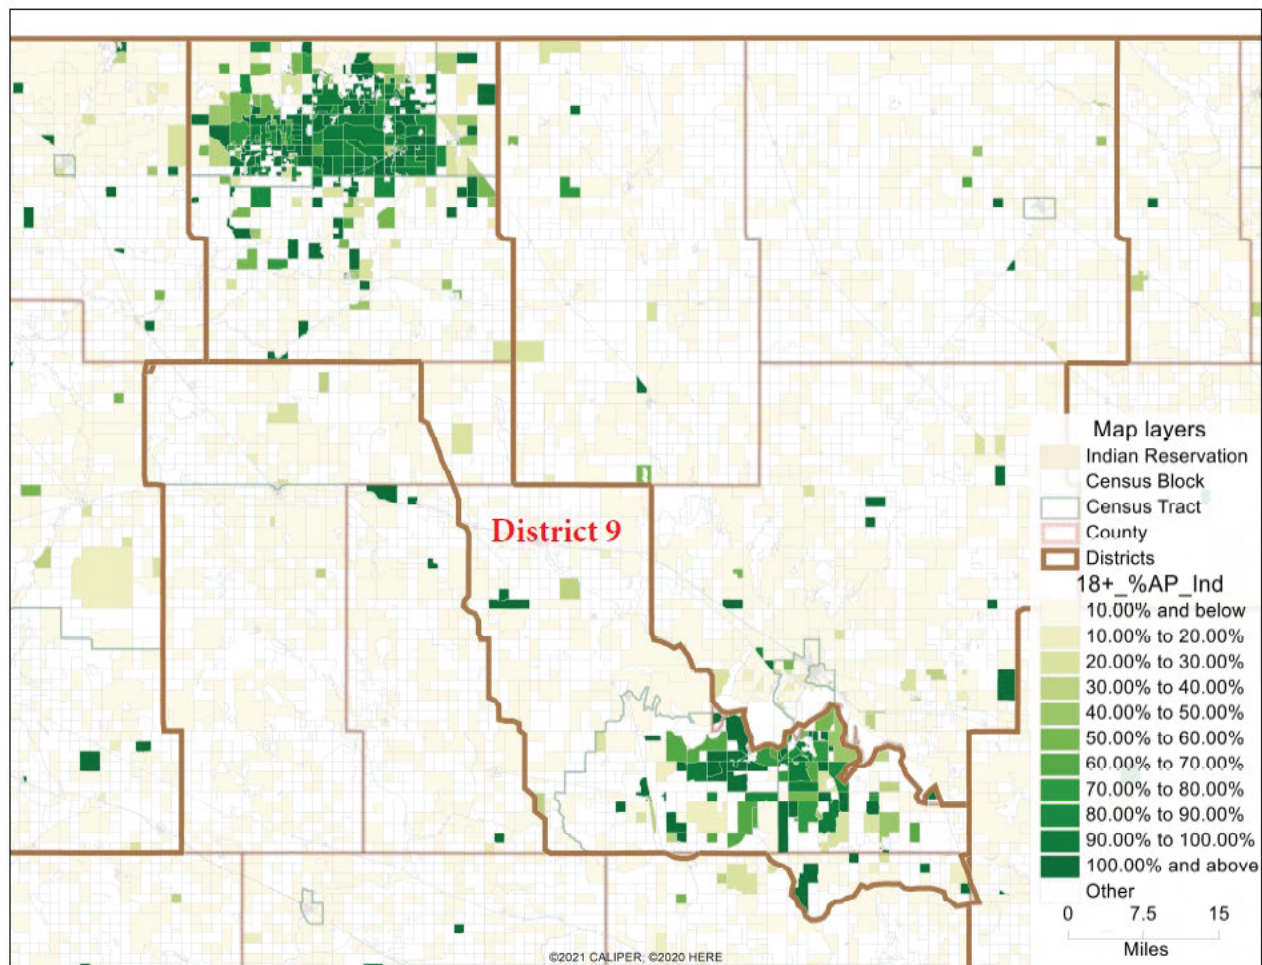

Sincerely,

Jamie Azure  
Chairman  
Turtle Mountain Band of Chippewa Indians

Douglas Yankton, Sr.  
Chairman  
Spirit Lake Nation
