v.

MEI SERVICES, INC.
2951 Piedmont Rd. NE, Suite B
Atlanta, GA 30305

MUR No. __________

COMPLAINT

1. Patriots PAC, LLC ("Patriots PAC"), a hybrid PAC with a separate non-contribution account that is registered with the Federal Election Commission ("FEC" or "Commission"), reported receiving a $90,000 contribution from MEI Services, Inc. ("MEI Services") on March 17, 2022, which was performing on an active federal contract at the time. As such, MEI Services appears to have violated the statutory prohibition on federal contractor contributions in the Federal Election Campaign Act of 1971, as amended ("FECA").

2. This complaint is filed pursuant to 52 U.S.C. § 30109(a)(1) and is based on information and belief that MEI Services violated the prohibition on federal contractor contributions by contributing $90,000 to Patriots PAC.\(^1\)

3. "If the Commission, upon receiving a complaint . . . has reason to believe that a person has committed, or is about to commit, a violation of [the Federal Election Campaign Act] . . . [t]he Commission shall make an investigation of such alleged violation . . ."\(^2\)

5. On March 17, 2022, Patriots PAC received a $90,000 contribution from MEI Services, which disclosed an address of 2951 Piedmont Rd. NE, Suite B, Atlanta, GA, 30305. This is the only contribution that Patriots PAC has reported receiving.

6. According to documents filed with the Georgia Secretary of State, MEI Services was organized as a domestic profit corporation in Georgia in 1998, and its 2022 Annual Registration form lists its address as 2951 Piedmont Rd. NE, Suite B, Atlanta, GA, 30305.

7. MEI Services is a medical supplier, according to NPI Profile, a national database of healthcare providers covered under HIPAA.

8. According to USAspending.gov, “the official source for spending data for the U.S. Government,” MEI Services has been awarded $3.9 million total in federal contracts from a variety of federal departments and agencies, including the Department of the Treasury, Department of Defense (“DOD”), Department of Justice (“DOJ”), and Department of Veterans Affairs (“VA”) since 2011.

**SUMMARY OF LAW**

11. Under FECA, a “contribution” is defined as “any gift . . . of money or anything of value made by any person for the purpose of influencing any election for Federal office.”\textsuperscript{13}

12. Federal law prohibits a federal contractor from making any “contribution to any political party, committee, or candidate for public office” at any time between the commencement of negotiations for a federal contract and the completion of performance or termination of negotiations for the contract.\textsuperscript{14}

13. Federal law additionally prohibits any person from knowingly soliciting such a contribution from a federal contractor.\textsuperscript{15}

14. The contractor contribution ban applies to any person “who enters into any contract with the United States or any department or agency thereof” for “the rendition of personal services” or for “furnishing any material, supplies, or equipment,” or for “selling any land or building,” if “payment for the performance of such contract or payment for such material, supplies,

\textsuperscript{13} 52 U.S.C. § 30101(8)(A)(i).

\textsuperscript{15} 52 U.S.C. § 30119(a)(2).
equipment, land, or building is to be made in whole or in part from funds appropriated by the Congress.”16

15. The contractor contribution ban applies from when a request for proposals is sent out (or when contractual negotiations commence) until the completion of performance of the contract or the termination of negotiations.17

16. The Commission has made clear since at least 2011 that the government contractor prohibition applies to contributions to IEOPCs: in MUR 6403, the Commission emphasized that a contractor making a contribution to a political committee to fund independent expenditures is not itself making an expenditure; therefore, a contribution to such a committee falls “squarely within the statute’s prohibitions.”18

17. Moreover, in 2017, the Commission noted that there is no de minimis exception to the federal contractor contribution, finding that even if a contributor’s federal contract work is only a “small fraction” of its overall business, this “does not negate the company’s status as a federal contractor.”19

18. Even when the prohibited contractor contribution has been refunded, the Commission has pursued enforcement action. In 2019, the Commission found reason to believe federal contractor Ring Power Corporation violated Section 30119 when it contributed $50,000 to an IEOPC, finding that Ring Power’s remedial measures, including obtaining a refund of the illegal contribution from the IEOPC, “do not excuse the violation.”20

17  52 U.S.C. § 30119(a)(1); 11 C.F.R. § 115.1(b).
18  Factual and Legal Analysis at 5, 9, MUR 6403 (Alaskans Standing Together).
19  Factual and Legal Analysis at 4-5, MUR 7099 (Suffolk Construction Co., Inc.) (finding reason to believe that federal contractor Suffolk Construction Company, Inc. violated 52 U.S.C. § 30119(a)(1) by contributing $200,000 to an IEOPC).
20  Factual and Legal Analysis at 4, MUR 7451 (Ring Power Corp.); see Factual and Legal Analysis at 2-3, MUR 7568 (Alpha Marine Servs., Inc.) (same).
The federal contractor ban applies in circumstances where there is “a very specific quo for which the contribution may serve as the quid,” and it was upheld unanimously by the en banc U.S. Court of Appeals for the D.C. Circuit in Wagner v. FEC, where the court stated that “the record offers every reason to believe that, if the dam barring contributions were broken, more money in exchange for contracts would flow through the same channels already on display.”

**CAUSE OF ACTION**

**I. MEI SERVICES, INC. VIOLATED THE FEDERAL CONTRACTOR CONTRIBUTION BAN**

FECA and Commission regulations prohibit a federal contractor from making a contribution to any political committee during the period in which a federal contract is being negotiated or performed.

According to USAspending.gov, “the official source for spending data for the U.S. Government,” MEI Services has been awarded $3.9 million total in federal contracts from the Department of the Treasury, Department of Defense (“DOD”), Department of Justice (“DOJ”), and Department of Veterans Affairs (“VA”) since 2011. The company was performing on a federal contract with the Treasury Department at the time of its contribution to Patriots PAC.

Consequently, there is reason to believe that MEI Services, a federal contractor, violated FECA’s federal contractor contribution ban by making a $90,000 contribution to Patriots PAC during the period its federal contracts were being negotiated and/or performed.

PRAYER FOR RELIEF

23. Wherefore, the Commission should find reason to believe that Medical Place, Inc. violated 52 U.S.C. § 30101 et seq., and conduct an immediate investigation under 52 U.S.C. § 30109(a)(2).

24. The Commission should seek appropriate sanctions for any and all violations, including civil penalties sufficient to deter future violations and an injunction prohibiting the respondents from any and all violations in the future, and should seek such additional remedies as are necessary and appropriate to ensure compliance with the FECA.
