Thank you!

Steph -

Dr. V. Thanh Nguyen, who has already met with Senator Hagel's staff, would like to request a 15-minute meeting with the Senator, either Tuesday, Wednesday or Thursday of next week if that were possible.

Dr. Nguyen has set up a foundation to foster trade and business development between Vietnam and the U.S. as was envisioned in the Vietnam Education Act of 2000, which Mr. Hagel strongly supported. Additionally, he is a Republican leader in the Vietnamese community.

I have attached a copy of the letter sent to Senator Hagel on behalf of Dr. Nguyen in March of this year.

Please let me know if I can provide you with any additional information! Many thanks-

Thank you in advance for your assistance. At your convenience, please let me know if Senator Hagel is able to participate. I can be reached directly at

Re: Dr. V. Thanh Nguyen's request for a meeting with Senator Hagel

Date: July 18, 2001

Susan enclosed are a bio and letter relating to Dr. Nguyen's interest in a meeting with Senator Hagel. As you can see from the letter, Dr. Nguyen's staff person has already met with Hagel's staff. He would like a 15-minute meeting with Senator Hagel either Tuesday, Wednesday or Thursday of next week if that were possible.

Key points on why Senator Hagel should meet with Nguyen:

1. He is setting up a foundation to foster trade and business development between Vietnam and U.S. as envisioned in the Vietnam Education Act of 2000, which Hagel strongly supported.
2. He runs \$80,000,000 high tech business in Sterling.
3. He just contributed \$100,000 to the RNC. Wants to be a Republican leader in Vietnamese community.
4. May have interest in serving on the board established under Hagel's bill.

Please let me know if you can help. Thanks.
