This letter is to advise you: You are eligible to vote in the Nov. 6 election.

Dear Registered Voter:

Back in September you should have received a letter from my office stating we had received information you may be deceased. Your name was one of approximately 10,000 possibly deceased names provided by the Secretary of State in order to be in compliance with the requirements of federal and state law.

The letter advised that your name would be removed from the voter registration roll after thirty days, if no response was received indicating you were alive. You either responded you were alive or did not respond.

After many of those receiving the letter responded that they were alive, I realized the extent of the "weak" name matches on the lists received from SOS. Due to the nearness of the election, I publicly announced that those persons who did not respond to the letter would not be removed from the voter roll until after the November 6, 2012 election.

The purpose of this letter is to confirm to you my public announcement and personally advise you that you will remain on the Harris County Voter Registration Roll through the Nov. 6 election. I encourage you to exercise your civic duty and vote.

If you have comments or questions, or wish to report your status, please contact my office at the address or number below.

Very truly yours,

Don Sumners, CPA, RTA
